

St. Malachi Center

Here's A GOOD Summer Vacation!

Splash Summer Camp

Splash Summer Camp is collaboration between St. Malachi Center and the Lakeside College Preparatory Academy. There are almost 50 children registered and attending. The children range from first through fifth grades. The collaboration allows for six adults to work with the children, giving each child some nearly individualized attention every day.

The objective of Splash is to teach about the greatest natural resource in our area, Lake Erie: how to enjoy it and protect it, through fun activities. Those activities include gardening, fishing, and building sandcastles; touring the Mather Museum; monitoring water quality; touring the Aquarium at the Cleveland Zoo; designing a bike trail; and drawing and painting.

It is a joy to help these children enjoy their summer vacation!

Career Seekers

Career Seekers, for grades six through eight, started on July 14th and will end August 14th. The Career Seekers learn about various careers. They will spend a week learning about educational options and explore different careers such as communications, arts, business, and safety.

On Tuesday August 5th the Career Seekers will hold the 8th annual YTA (Young Teen Alliance) Café. Please join them as they put their restaurant and customer service skills together to serve lunch. You can dine at the Café in the Center that day from 12 noon to 2pm or fax (216-771-3659) your "to-go" order by Friday August 1st and pick it up from the Café on August 5th. Menus and reservations are available Thursday July 31st. Call 216-771-3036, make a reservation, and have the menu faxed to your business! All proceeds go to the work of St. Malachi Center.

neers across the street were holding their bridge subway tours the same day, and that brought new friends over to the Center, too. The Old Angle Family Fun Festival has become a St. Malachi Center tradition; for the last 5 years SMC has provided this event for our families who don't have the means or transportation to get to any of Cleveland's other summer festivals. Our heartfelt thanks goes out to all the community partners who attended and the amazing vol-

unteers who helped us make the OAFFF a success: the set-up and clean-up crews; the grillers and servers; the gamekeepers, ticket sellers, and craftmakers; and the amazing group who made all our signs and prepped the games and crafts. If you weren't able to come, please remember us next summer and plan to join us for a hot dog, a sno-cone and some good old-fashioned summer carnival fun!

Enjoy Good Friends, Good Golf, and Help Raise Money for St. Malachi Center

Golfers enjoying the delicious steak dinner after golfing in 2007.

St. Malachi Center's 16th Annual Golf Outing will be held on Friday, August 29, 2008 at Coppertop at Cherokee Hills Golf Club in Valley City. Our format again this year is a 4-person scramble, with a shotgun start at 8:30 am. A steak dinner will be served after golf, along with great door prizes and raffle items such

as autographed collectibles from the Browns and Indians, a BBQ grill package, a gift certificate tree, and more.

Our games of skill include a "Closest to the Pin" contest with a prize of a big-screen TV, donated by Event Sponsor Onix Networking of Westlake.

Other generous sponsors include Frantz Ward LLC, Three D Metals, MJM Services, Hemingway Development, the Boiler-makers Local 744, and B&R Machine Co.

Sponsorship levels range from \$100-\$2,500; our goal is to raise \$28,000 to support our After School Program beginning in September, a program in great need as previous funding has been cut drastically. This is a great way to start your Labor Day weekend with a fun and relaxing round of golf...at a beau-

tiful course...in great company... for an excellent cause! For more information please call Jackie Bluett at the Center at 216-771-3036.

An Award Winning Store!

Lee and the Mart's recognition

You may already know about Malachi Mart at 1303 Washington Ave. and the great prices on assorted items offered there. Let's review. Since 1990, Malachi Mart has offered food, household goods and seasonal products at *deeply discounted prices*. Malachi Mart is a year-round fundraiser for St. Malachi Center. Volunteers at Malachi Mart develop job skills and experience that retail store employers look for. Volunteers give back to the community while learning to stock shelves, price merchandise, and clean.

The Mart and Operations Manager, Lee Oglesby, received an award and two other letters of gratitude from people the Mart serves. The Cuyahoga County Community Mental Health Board gave an award because Lee invites and works with volunteers who are mental health consumers. The Employment Alliance, a collaborative community employment service for persons with barriers to employment, finds the Mart a great place to help re-educate their participants. The Positive Education Program, who helps troubled and troubling children and youth, also recognizes Lee and the Mart staff as helpful to their clientele.

Shop the Mart for great buys and great experiences! It is located in the west bank of the Flats, across from Stella Maris.
